

# Craigie Knowe

- V I N E Y A R D -

Craigie Knowe Vineyard was first planted in 1979 by then Hobart dentist John Austwick. John created a well sought after brand, lead by his iconic Bordeaux Blend Cabernet Sauvignon. Craigie is now in our care and like John, we passionately tend the vineyard to produce our special wines.

The site is located on the Freycinet coast of Tasmania, which has its own micro-climate and rich volcanic soils. Most tasks are undertaken by hand in the pursuit of excellence in our wines; fruit load for each vine, along with manual leaf plucking exposing the grapes to optimum levels of sunlight and airflow - Glenn, Alex & Sandy Travers

## 2020 CRAIGIE KNOWE WHITE LABEL PINOT GRIS

2020 growing season had average temperatures and was generally dry until just before picking. Careful management during this time was critical in producing a high quality crop.
