

# Craigie Knowe

- VINEYARD -

Craigie Knowe Vineyard was first planted in 1979 by then Hobart dentist John Austwick. John created a well sought after brand, lead by his iconic Bordeaux Blend Cabernet Sauvignon. Craigie is now in our care and like John, we passionately tend the vineyard to produce our special wines.

The site is located on the Freycinet coast of Tasmania, which has its own micro-climate and rich volcanic soils. Most tasks are undertaken by hand in the pursuit of excellence in our wines; fruit load for each vine, along with manual leaf plucking exposing the grapes to optimum levels of sunlight and airflow - Glenn, Sandy and Alex Travers
