WEDDING GUIDE

2027-2028

Celebrate among the vines on Tasmania's East Coast

WELCOME

A wedding that feels completely your own.

Craigie Knowe has operated as a family owned and operated vineyard and cellar door since 1979. Here, ceremonies, photographs, food, wine and celebration come together in one relaxed East Coast vineyard - without the day feeling rushed or overly formal.

Food, wine, people and place.

A wedding here is not just a room hire. It is a celebration shaped by the vineyard, Flora's Restaurant, estate-grown wine and the relaxed character of Tasmania's East Coast.

ONE PLACE

Ceremony, photography and reception can all unfold on the estate.

ESTATE-GROWN

Craigie Knowe wines are grown metres from where your guests are celebrating.

FLORA'S

Seasonal Tasmanian food is prepared by the team at Flora's Restaurant.

YOUR STYLE

Intimate barn dinners, marquee celebrations and relaxed vineyard gatherings.

CEREMONIES

Choose the place that feels right.

Exchange vows among the vines, beside the heritage buildings or in another setting that reflects your day. Ceremony venue hire is included with every reception booking.

CEREMONY SETTINGS

Vines, heritage buildings and open landscapes.

The estate offers a collection of natural ceremony locations. Each setting has its own character, and the final choice can be guided by season, light, guest numbers and the atmosphere you want to create.

THE BARN

Warm, intimate and full of character

The barn suits smaller celebrations and long-table dinners, with timber textures, soft lighting and a relaxed country atmosphere. It is a genuine vineyard space - not a purpose-built ballroom.

THE MARQUEE

Generous celebrations among the vines.

The marquee offers room for larger guest lists, seated dining, speeches and dancing, while keeping the vineyard visible throughout the celebration. It can be styled to feel polished, relaxed or entirely your own.

RECEPTIONS

Gather, feast and celebrate.

Long tables create the relaxed, generous style of celebration that suits Craigie Knowe. Guests can share seasonal food, estate wines and conversation while the vineyard changes around them through the afternoon and evening.

LONG-TABLE RECEPTIONS

A celebration with warmth and atmosphere.

Food, wine, speeches and dancing can flow naturally through the evening. Every reception is shaped around the couple, the season and the way they want the day to feel.

FLORA'S RESTAURANT

Food made for gathering.

Your wedding menu is created by the team at Flora's, with a focus on seasonal Tasmanian produce, generous flavours and food that suits the way you want to celebrate.
